Our mezzanine level private dining room comfortably accommodates up to 28 seated guests. Inspired by Late Art Deco style of the 1940s and 50s, the restaurant's luxe interiors boast custom millwork, as well as eye-catching fixtures, stylish furniture and rich materials. All lighting has been carefully calibrated to ensure the perfect dining experience, and a 60" HDMI-compatible LCD television with surround sound is available for your presentation needs.

MENU SELECTION AND FINAL GUEST COUNT

Parties of 15 or more are asked to choose from one of our private dining prix fixe menus. All final menu selections must be made at least seven days prior to the event. We are happy to accommodate dietary substitutions upon request. Beverage package selections must also be noted at that time. Please note, any additional food or drink requested on the day of the event will be subject to an additional charge. The final guest count must be confirmed three days prior to the event.
